Oxford, unlike many college towns, gets along with its university. Oxford citizens consider themselves a part of the university, while university students consider themselves a part of Oxford. One of the reasons for the cordial relations is obvious. The immaculate storefronts that surround the Square stand as testimony to the money spent by Ole Miss faculty, staff, and students. The relationship goes far deeper than money, however, most Oxford residents have grown up with Ole Miss. Even if they were never enrolled as a student, Ole Miss is still a part of their life. The lines that separate Oxford and Ole Miss are fuzzy and vague—neither Oxford nor Ole Miss stand as separate entities. They are both part of a larger whole.

Campus Life

Ole Miss, with a one-square-mile campus and under 10,000 students, is the smallest school in the Southeastern Conference. The result is a close-knit campus, where everybody seems to know or know of, everybody else.

Walking to class is almost like being at a cocktail party-getting from one place to another is impossible without stopping a few times to chat with friends.

The Grove, the Circle, the collumnade of Magnolias from Guyton Hall to the library, combine to make the Ole Miss campus one of the most beautiful around. Student behavior is almost as predictable as the seasons. Fall means Rush, Bid Day, swaps, and football parties. Visitors to campus might assume that blue blazers are mandatory attire, but they are merely strongly encouraged.

As fall turns to winter, students, like bears, hibernate. The sudden realization that exams are a few weeks away, causes students to stay home and try to catch up.

The second semester starts up slowly, as students resolve to study more. The resolution is soon weakened when spring arrives. Spring means riding around in convertibles, drinking beer, throwing frisbees in the Grove and theme parties. The campuswide blowout called Dixie Week marks the end of the semester.

Students take their exams, go home, and start preparing themselves to return in the fall and repeat the cycle.

The faint echos of the Old South can still be heard at Ole Miss, either delighting or dismaying students, depending on their outlook.

History is everywhere—in the buildings, trees and even people. Tradition flows forward like the mighty Mississippi, flowing over and around attempting to force change.

The ghosts of the Confederacy can still be seen, with statues, plaques and stained glass windows commemorating the ultimate sacrifice made by half-a-million Southerners in defense of their country.

Students still wave Rebel flags at football games in spite of massive administration efforts to get them to wave something less controversial. "Dixie" still thrills the hearts of Rebel fans, just as it always has.

Ole Miss students still dress up for football games, often amusing and puzzling outsiders. Football weekends still mean visiting in the Grove with family and friends and partying all night on Fraternity Row.

Southern gentlemen, trained since birth to be experts on whiskey and women, find ways around administration attempts to restrict or eliminate drinking and partying. Ole Miss is still ranked as one of the top party schools in the nation, especially in the South.

Memphis and New Orleans still draw students on weekends, except that now students take cars instead of trains. Some students spend more weekends in the lobby of the Peabody or on Bourbon Street than they do on campus.

Most things, though, don't change very much. Delta boys still come to school with more money and nicer cars than everybody else, no matter how much their parents had to borrow to pay for everything. And students from other parts of the state look on with poorly disguised envy and say that they don't approve of living high on borrowed money.

Some things will never change.

Searching for the perfect “home away from home” is an important part of an Ole Miss student’s life. Dorms, apartments, houses, and sorority or fraternity houses are a few of the options that a student has. Although freshmen are required to live in the dorm, many anxiously await the day they will be able to move into an homier atmosphere.

Dorm life offers the opportunity to meet new people and find out interesting habits of old friends. Staying up all night to study or just talking with friends makes living in the dorm an experience in itself. Sometimes this is the first time a student is not living under the same roof as mom and dad. There are no curfews for students on their own and learning to clean your room is sometimes impossible.

Many students eventually make their home off campus or to a sorority or fraternity house.

Convincing mom and dad that living in an apartment or house is really cheaper is the first step in getting off campus. This may soon become fictitious because utility and telephone bills come in and groceries must be bought. Overall it gives a student a sense of accomplishment to be paying bills like a real adult, even though mom and dad usually foot the bill. Otherwise getting a job is the only way to pay for everything.

Wherever one decides to spend his college days, roommates, studying all night, parties, and a constant mess are all a part of college life.

For students hailing from Jackson, Memphis, Atlanta, New Orleans, Dallas and Houston, Oxford may seem like a hole-in-the-wall. Some people complain about it being too boring, but there is a lot to do here in town.

For thousands of others, who call one of the tiny little communities that dot the Mississippi landscape home, Oxford, with its fast food restaurants, movie theaters, and department stores, is a veritable cultural center.

In the beginning of the year, anyone 18 and over could go to the bars. The bars provided a place to meet your friends and have a few drinks or just sit around and talk. Things have changed for the majority of Ole Miss Students. The drinking age was raised to 21 on October 1st. This not only put a damper on the students but it hurt the bar owners who lost the income. But never fear there is always an apartment or house party to be found somewhere in Oxford.

Most people have found an alternative to the bar scene. The Hoka provides a bar like atmosphere without the alcohol. Kiame's seems to attract many students with bowling for fun. Some students head to the Cinema for a break. Super Saver is the place to be on Friday or Saturday night if you want to meet people. It always has a line of people waiting for some inexpensive snacks.

Whether you're a student coming back from Christmas Vacation or an alumni coming back for Homecoming, Oxford, with its familiar sights and styles, will always seem a little bit like home.

Friendships

▲ 5

Poppy Pruett

The University of Mississippi is more than just buildings and numbers. Steeped in tradition and closely allied with its surroundings, friendships have been shaped by successive generations of enthusiastic, dedicated students. A school which has inspired both love and loyalty in its alumni, Ole Miss has provided life-time friendships.

Friendship has always played an important role in the everyday life of Ole Miss students. Annually held activities such as Dixie Week, Greek Week, and various charity functions are just a few occasions which make our friendships special. Likewise, strong athletics and social functions with a reputation for excellence provide students with opportunities not only to participate but to become closely united.

A truly spirited institution, Ole Miss is dedicated to education and organized social events for everyone. With this combination, along with the warmth and friendly smiles of our students, the ability to make special friends makes the university a "home away from home."

Bar hopping . . . some of this years' freshmen may never know the true meaning of the term. Many Ole Miss students could only enjoy two months of care-free LEGAL enjoyment of this favorite past time.

Although the bars in Oxford are now off-limits to students under 21, the gatherings and parties were abundant before and after October 1, on the campus this year.

The finest examples of college students having a good time can be found at Ole Miss. Beginning in the fall with swaps, football parties, and the successful 'Tailgate Thursday,' the parting never slowed down.

Even after the fraternity theme parties in the spring, Ole Miss guys and gals kept up the social parting until the last day before summer break. Even today the once traditional "Shrimp and Beer" party at the end of Dixie Week is still celebrated by trips to Sardis by students even though there is no official "Shrimp and Beer" Party. There were, however, a few lightweights to be found-they may have passed out but their friends said they had a good time getting there.

Yes, at Ole Miss, the students have fun. There's never a dull moment. The bar-hoppers keep hopping, and the lightweights still don't slow down. But there are a few of us-a very important group-that wait for the magical age of twenty-one.

Rebel Fans

Rebel Fans are the dedicated people who reverently attend all Rebel athletic events, especially football games. They consist of alumni, students, faculty, staff, their families and anyone with any ties with the University of Mississippi.

The excitement of the Red and Blue running onto the field, with Dixie in the air, and Rebel flags in the sky, has been sending chill bumps down the spines of Mississippians for almost a century. Victories over LSU, Mississippi State and Memphis State add excitement to the year.

During football season there is a gathering of all these fans in the grove and various spots on campus, where a parking spot is available. They bring food, beverages (no alcohol of course), and lots of fond memories of Ole Miss.

These fans attend all home games, whether they are in Oxford or Jackson, and will travel across the county to see the Rebels play away games.

Our Rebellettes, Cheerleaders and the Ole Miss Band add excitement at Pep Rallies and at the games by cheering the Rebels on all year long.

Lee Thigpen is this years' Johnny Reb mascot. He is dedicated to promoting spirit among the crowds of fans at the games. He does this by climbing into the stands and getting the fans excited. He'll do whatever he can to get a rouse of cheer from the crowd.

The famous cheer of Hotty Toddy unites the fans and the players.

Hotty Toddy, Gosh Almighty
Who in the hell are We!
Hey-Flim Flam, Bim Bam

Alma Mater

'Way down south in Mississippi there's a spot that
ever calls,
Where among the hills enfolded stand old Alma
Mater's halls.
Where the trees lift high their branches to the whisper-
ing Southern breeze,
There Ole Miss is calling, calling to our hearts' fond
memories.

With united hearts we praise thee, all our loyalty is
thine.
and we hail thee, Alma Mater, may thy light forever
shine;
May it grow brighter and brighter, and with deep
affection true,
Our thoughts shall ever cluster 'round thee, dear ole
Red and Blue.

May thy fame throughout the nation, through thy
sons and daughters grow;
May thy name forever waken in our hearts a tender
glow;
May thy counsel and thy spirit ever keep us one in this,
That our own shall be thine honor now and ever,
dear Ole Miss!-1936 OLE MISS

Ole Miss has experienced many changes in the past years. Some obvious, others not so obvious. Like all Universities, Ole Miss has to change to keep up with the times but some things take longer. Ole Miss is changing, even rapidly in some places. The old is coming down and the new is going up. The outdated is going out and the modern is coming in.

The Power plant produces most of the more obvious changes. The new building is going up behind Shoemaker (Biology) Hall. The old plant was built in 1934. The new plant should adequately and efficiently heat the entire campus.

The project for the Class of 1986, a sprinkler system for the grove, will soon begin production this year. The project for the Class of 1987 cannot be forgotten with their chimes informing us all of the holidays and hours of the day. But there are still some students that cannot seem to make it on time anyway.

Of course it cannot be forgotten that the cafeteria was moved. It is now conveniently located in the Union, where most students must pass it to get to class, check their mail, go to the bookstore, or shoot some pool.

▲ 3

Tuck Loong

Changes

There were also some effects on Ole Miss that were not controlled by the University. What a blow it was to the Ole Miss males to loose the younger Ole Miss coeds in the bars. But the under 21 crowd should feel lucky, now they can evade part of the 2% tourism tax when they buy Coke or Pepsi instead of Budweiser.

Luckily this campus is not ruled by radicals, but by those that think some things should not change. Enjoying a picnic in the grove, walking through the grove or Rowan Oak (which has been ranked nation wide as one of the best places for grubbing), lovely coeds everywhere, a day at Sardis, a drive to Ben's and Todd's or Pete's One Stop,

fraternity parties, SPB all-nighters and many more traditions, are a few examples of things unchanged.

The University will continue with just enough renovation and improvements to keep Ole Miss an excellent school without changing what really makes it Ole Miss . . . its traditions.

The fall semester was an exciting year with a lot of interesting things happening.

This year 661 women and 579 men went through rush. 531 women pledged a sorority and about the same number of men pledged a fraternity.

As students went through registration this year, they noticed a change in the price of the activity fee. It went up by \$5.00 which was allocated to Women's Athletics. The fee was \$131.00 and it is distributed to the following:

Student development	\$5.25
Radio/TV	\$6.50
Concerts/Lectures	\$3.75
SPB	\$6.50
Yearbook	\$5.00
Daily Mississippian	\$6.00
Intermurals/Recreation	\$13.00
Student Union	\$17.00
Student Health Ctr.	\$34.00
Emergency Medical Serv.	\$1.00
UMAA	\$25
Library Special Fund	\$5.00
School Spirit	\$1.50
Band Travel	\$1.50

The phone books are quite different this year, thanks to Nancy Horton. They consist of some introductory pages, that contain student organizations information, faculty and student listing and a new yellow page section. The books came out in mid-October.

The Senior class project was to install a computerized chime system. There are speakers on the top of the Lyceum and the Student Union. It has the capacity to be heard across most of the Oxford campus.

This year the 9th Annual Mississippi Delta Blues Festival was held on September 20th in the heart of the Delta at Freedom Village.

A Law was passed on October 1, 1986 which affected a majority of the Ole Miss students-A person must be 21 years in order to purchase alcoholic beverages.

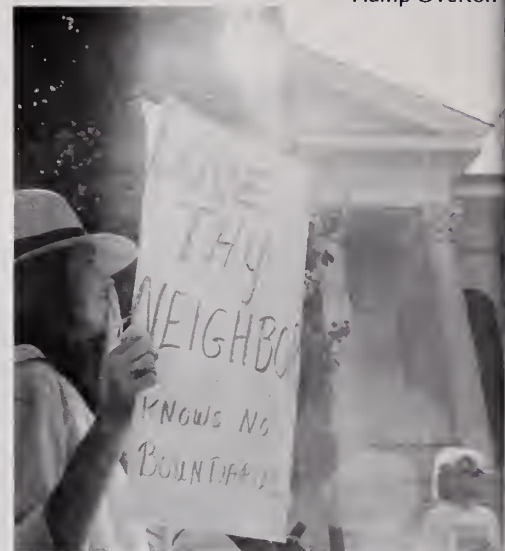

Kincannon and Howory/Faulkner mens dorms now have lavatory dorrers. Something that was needed for a very long time.

Congress approved a \$11.5 million grant to build the National Center of Physical Acoustics research at the University of Mississippi. It's location will be where Swazee baseball field is located presently.

After a little over two months of controversy, the ASB Judicial Council ruled against using money that was in the library fund to buy a new computer system for the J.D. Williams Library.

For the first time since 1976, the Ole Miss football team was ranked 20th in the nation for five glorious days. They lost the following weekend to Tennessee but did go on the the Independence Bowl. There was a sweet taste of sugar for everyone for a few days.

Lee Thigpen originally disqualified as Colonel Reb candidate was reinstated after an appeal hearing. It appears he had not submitted all of his expense vouchers before the deadline. He was not found guilty.

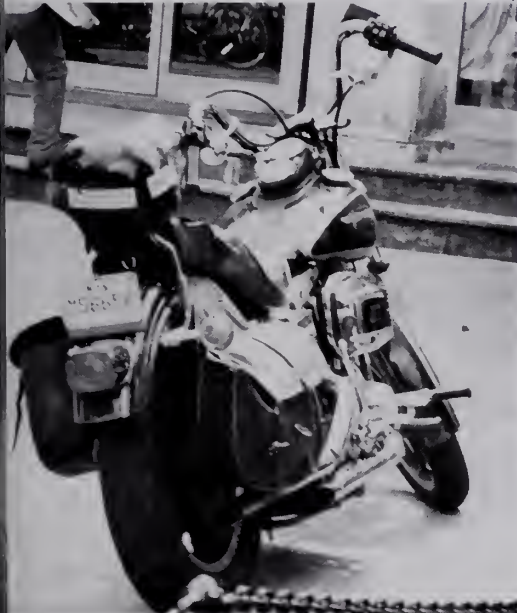

Towards the end of the fall semester, Sigma Alpha Epsilon Fraternity had its charter revoked because of hazing violations.

The NCAA placed the Ole Miss Rebel football team on a two year probation because of recruiting violations.

Overall the semester was a good one. The University keeps taking strides to its goal of excellence and is succeeding.

Christmas is a special time at Ole Miss. The yuletide spirit abounds as everyone enjoys the fun of parties and gift giving while cramming for exams and preparing to go home for the holidays. As the tradition stands, Chancellor Turner once again lit the Christmas tree in front of the Union this year as the Ole Miss chorus sang popular holiday songs. The chorus also presented a Christmas concert in Fulton Chapel. The Navy ROTC helped to spread Christmas joy by having a party for underprivileged children in the community.

During the 1986-87 theatre season, the University of Mississippi had eight plays performed in either the Studio Theatre or Fulton Chapel. The season started early with 'night Mother by Marsha Norman. The Homecoming play for this year was Evita on October 16 — 18. Tribute was next showing from November 8 to the 12th. The semester closed with A . . . My Name is Alice.

The second semester started with Brighton Beach Memoirs, written by Neil Simon. The Maids and Lysistrata continued the excellent tradition of performance by Ole Miss actors. The final spring play was Showstoppers on April 29 in Fulton Chapel.

The overall season was a very exciting one. It took a lot of hard work and dedication from all performers.

Syd & Harry's is usually a pretty laid back kind of place. There is a wonderful restaurant downstairs and a bar above. The Hoka is great to visit after the bars close and Oxford rolls up its sidewalks. The Hot Fudge Pie is a must! Almost any night of the week you can find Ole Miss coeds entertaining themselves at various places. Whether it is in Oxford, Memphis, or New Orleans, the big cities attract the night life crowds also.

"Since business was going to be my major, I had to decide on which college to attend. After visiting schools from the University of Indiana to the University of Texas, I decided to settle at the University of Mississippi. The Business School here has quite a reputation for producing well equipped and educated business people. As I got deeper into my major and began preparing for a career, the faculty here pointed me in the right direction. They teach students the finer points of how to dress and be mentally prepared for an interview, and how to cope with the pressures of your superiors. These caring professors have taken meticulous time both in class and out of class to prepare the students for their careers. The Ole Miss Business School is like a well made bracelet, you don't notice the individual stones until they reflect off one another. 86 Playoffs Elude Rebs

1986 was an exciting year for the Ole Miss baseball fans as the Rebels were very competitive and showed great promise for the future. The Rebels got off to a flying start winning 16 of their first 20 games. With consistent pitching and leadership from senior pitchers Bryan Farmer and David Miller the Rebels were consistent throughout the season, finishing with a 38-17 record overall. The Rebel bats were hot too, as evidenced by such scores as 20-2 over Union, 14-4 over Georgia, and 24-3 over Rhodes College. By the season's end, the Rebels found themselves in contention for a spot in the playoffs but finished in a three-way tie for fourth place in the SEC with Florida and Georgia. Florida was eliminated because both Ole Miss and Georgia finished with better records against the top three teams in the SEC . . . LSU, Alabama, and Auburn, respectively. Unfortunately, when the records were compared between Georgia and Ole Miss, the Rebels had fallen just one win short of the record necessary to earn a spot in the playoffs, and Georgia advanced.

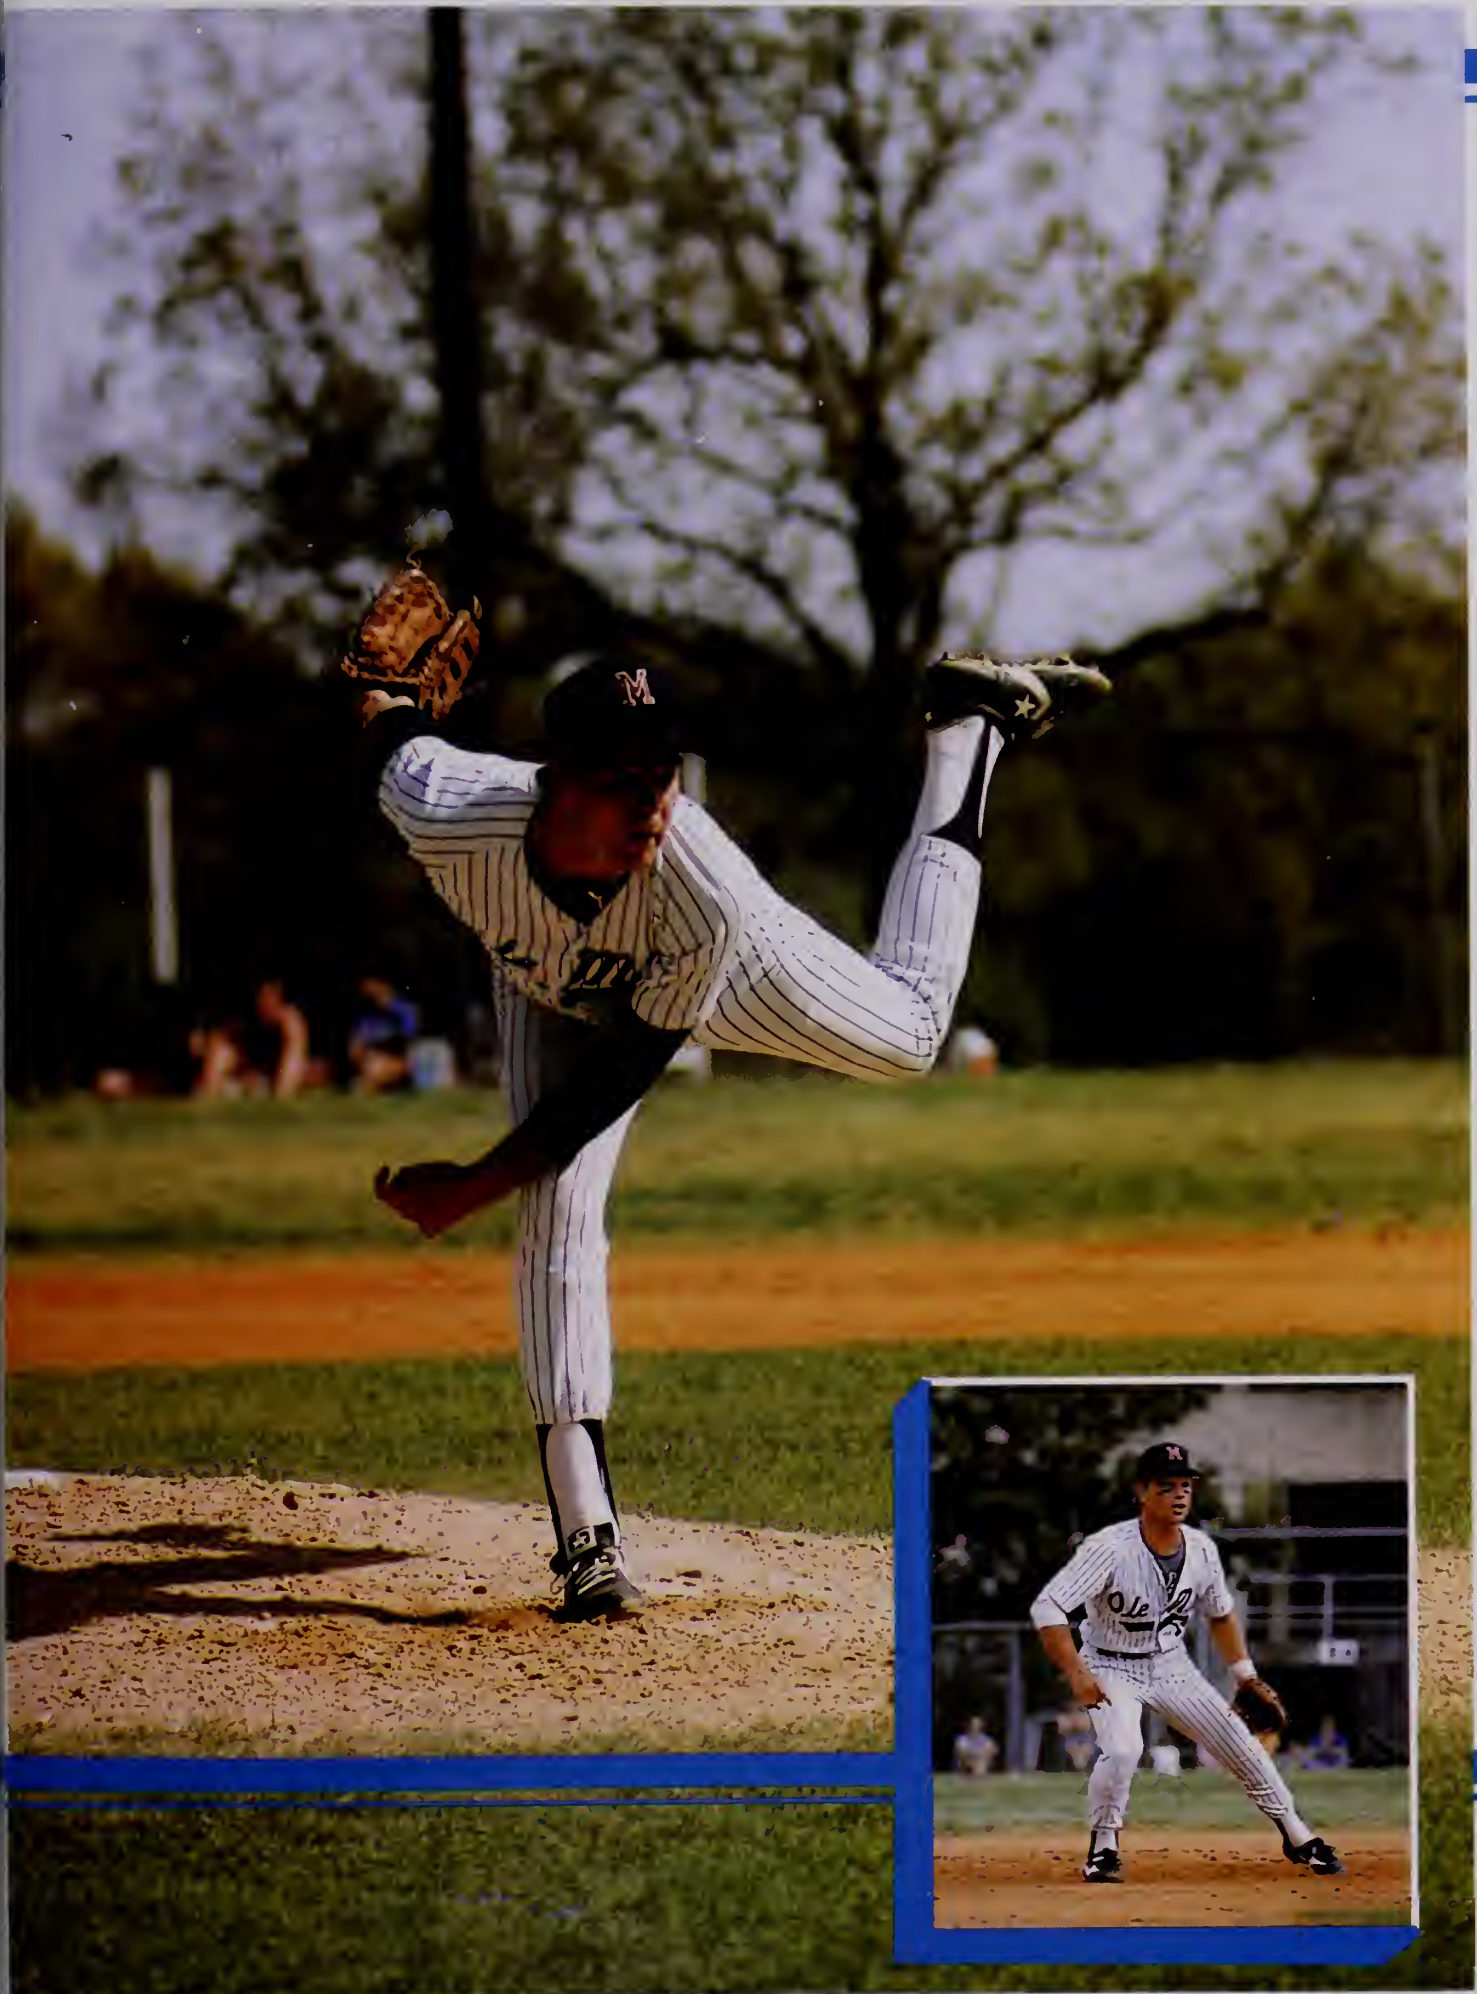

When all was said and done, however, there was still a great deal for the Rebel faithful to cheer about. Third baseman Bubba Simon received All-SEC honors. First baseman Kyle Gordon was named an Academic All-

American. And Senior pitchers Bryan Farmer and David Miller joined the ranks of Rebels in professional sports by signing with the National League's Atlanta Braves. But, most significant and exciting of all was the announcement of plans the University revealed for the construction of a brand new, million-dollar baseball stadium. This long-overdue improvement will be a great asset to the Ole Miss baseball program and will provide the Rebels with the kind of facility an SEC team warrants.

1986 Ole Miss Rebels Independence Bowl Champions

When Ole Miss Head Coach Billy Brewer went before the SEC media last summer in Birmingham, AL, he was quick to point out that his Rebels were heading into the 1986 season with "cautious optimism." Most pre-season polls ranked Ole Miss 8th or 9th in the conference. When the season was over, however, the Rebels had finished tied for second in the SEC with their best season in 15 years.

The Rebels got off to a good start, crushing the hapless Tigers from Memphis, 28-6 in Jackson. The following week the Rebels travelled to "Hog Country" with high hopes, but were disappointed by an impressive and nationally ranked Arkansas team, 21-0. The offense continued to struggle the next week with Arkansas State and the Rebels were forced to settle for a tie with the upstart Indians, 10-10. Ole Miss celebrated "Archie Manning Day" the next Saturday by coming back from a 0-10 deficit to trounce Tulane, 35-10 in Oxford. It's always tough "between the hedges" and this year was no exception, the Junkyard Dawgs called on their defense to hold off Ole Miss in a close one, and managed to eek-out a 10-14 victory in Athens. The Rebels took out their frustrations on Kentucky the following week in Jackson, smashing the "Mildcats" 33-13. Following a suspense-filled, 21-20 Homecoming victory over Southwestern Louisiana, the

Rebels traveled to Nashville where J.R. raced 94 yards with the opening kickoff for a touchdown and it was all Ole Miss from there, 28-12. Then came "The Win of the Decade" as Ole Miss defeated L.S.U. in Baton Rouge for the first time since 1968 before a national television audience and 77,000 not-so-rowdy Cajuns, 21-19, as Browndyke's field goal attempt sails wide to the right! The nationally ranked Rebels were brought back down to earth the next week as the defending SEC Champion, Tennessee Volunteers, made a late 2nd half comeback to defeat the Rebels 22-10, leaving all the "Sugar" in Memorial Stadium. Ole Miss bounced back against archrival Mississippi State in the Egg Bowl and sent the Bulldogs back to Cow-College losers for the 4th consecutive year: Culture — 24, Agriculture — 3.

With their victory over State, the Rebels recieved an invitation to play Texas Tech in the Independence Bowl. Ole Miss, riding the arm of quarterback Mark Young, broke 12 Independence Bowl records in an exciting season finale, whipping the Red Raiders 20-17. The Rebels finished the season 8-3-1, ranked 17th in the nation by the New York Times poll.

The 1986 Rebels will be remembered for a tenacious defense that week to week found a way to win and refused to ever give up.

Murphy Brings New Look to Rebel Basketball

We said coming into this year that we were going to establish our style of play and that's what we're going to do," said first year Head Coach, Ed Murphy. Murphy, in his 9th season of collegiate basketball, became Ole Miss' 17th head coach in August of 1986. Murphy's number one priority this year was to establish the way Ole Miss plays ball — running the motion offense and playing man-to-man defense.

The Rebels opened the season with only two losses in the first 10 games. Ole Miss put six players in double figures for the first time since 1976-77 in the season opener against Division III Washington University of St. Louis. After a loss to Arkansas, the Rebels were on a four game winning streak against North Texas State, Jackson State, SE Louisiana, and Mississippi College.

Ole Miss won its third holiday tournament championship in eight years as the Rebels turned back San Diego State in the finals of the Holiday Bowl Classic.

Still on a high from their tournament victory, Ole Miss opened its SEC season with a win for the first time since the 1981-82 season, in a 73-63 victory over LSU.

Junior, Rod Barnes, has paced Ole Miss in several games with a season high of 11 assists in a victory over Mississippi College and 18 points in the Rebels first road win against Tennessee.

Senior, Joe Ayers, and Junior, Charles Prater, have led Ole Miss in scoring while Senior forward, Eric Smith has led the Rebels in rebounding for most of the season.

Senior center, Ronnie Sims, broke the Ole Miss career record for blocked shots with four against Florida, giving him 52 for his career.

Overall Ole Miss basketball has been a surprising improvement with several broken records and better performance. Ole Miss out-rebounded 16 of 29 opponents this season, which is quite an improvement considering the Rebels only out out-rebounded opponents in 12 of 29 games a year ago.

Coach Murphy and the Rebels are establishing and building their style of play in the ranks of the SEC. Murphy has made some changes this year and looks ahead with high hopes to the coming years.

Lady Rebels, Beating the Odds

Who would have ever thought that the Ole Miss Lady Rebel basketball team would be 19-1 with only seven games to play before the Southeastern Conference Tournament? "When we started the year no one thought that we would be very good," said ninth-year Head Coach Van Chancellor. "We are just so mentally tough, that I think that is what has helped us win some of our big games." The Lady Rebels have had to roll with a lot of punches this season.

The 1986-87 season looked gloomy for the Lady Rebels, senior forward Alisa Scott had to undergo athroscopic knee surgery, just three weeks before the season was to begin. "Alisa has had to overcome a lot this season, but she has really put out the effort that we have needed to win," stated Chancellor. Senior Guard Myra Williams, was also hurt for a majority of the season. She played with both legs taped from toe to knee, but she got the job done for the Lady Rebels. The Lady Rebels also lost La Teasha Johnson, to a knee injury early in preseason conditioning.

On their way to another winning season (13 straight), the Lady Rebels upset third ranked Tennessee, 69-65 and ninth ranked Louisiana State, 84-67. Their only loss was handed to them by second ranked Auburn, 66-62, in front of a record crowd of 3,116.

The Ole Miss women began the season ranked in the upper half in many of the top 20 women's polls. However, with a lot of hard work and sweat, the Lady Rebels eventually were ranked as high as number five. "We just stuck together, and played as hard as we could," explained Scott. "We never gave up, and played with a lot of guts."

In a game of Goliaths, the Lady Rebels were the Davids that fought to the victorious end.

Bridges and Cartlidge qualified for the N.C.A.A. Championships. Bridges earned All-American honors in the triple jump.

Darlene Calvin was the Outstanding Performer for the women.

Netters on the Road to Success

The 1986 Rebel Tennis Team enjoyed much success throughout the spring season. The team was led by seniors Neal Stapp, Doug Weber, and Chuck Sobers. The "Rebel Netters" began their season with a fourth place finish at the SEC Indoors Tournament in Knoxville, Tennessee- The highest SEC finish ever for an Ole Miss tennis team. Roy Eudy and Dave Randall captured Ole Miss's first title in the event's history, when they won #3 doubles division. Following their success in Knoxville, the Rebel Netters went on to win the consolation bracket in the prestigious Corpus Christie Invitational. In their dual match schedule, the Rebels compiled an impressive 17-6 record and a hard-fought 6th place finish in the extremely competitive SEC.

"The Rebel Netters have turned the corner on the road to success," said Coach Billy Chadwick, "and with new standout recruits such as Aaron Barrick and Jimmy Pitts along with our experienced upper-classmen, the future looks very bright."

Womens Tennis Program in High Gear

The Lady Rebels are looking forward to an excellent year for 1986-87. Having enjoyed a successful fall season with wins over Arkansas State, Memphis State, and the University of South Alabama, the women's tennis program is in high gear moving toward the SEC tournament in the spring.

New coach Jerry Montgomery is very optimistic about the future of the Lady Rebels this year. After a sixth place finish in the conference championships last year, the women netters have a lot of incentive to improve their performance this year. With the impressive talent on the present squad, the potential for greater success is there.

Jane Young of Canada, who represented Ole Miss in the NCAA Individual Championships two years ago, returns to the team after a year's absence. She played on the women's professional world tour last year and retained her amateur standing in the process. Having achieved a world ranking in the top 150, Young is definitely a world class player, and she brings significant strength and experience to the team. Clara Arnold of Oxford

continued to show progress and improvement as she reached the finals of the Southern Junior Closed Championships this past summer. Clearly one of the most promising junior players in the United States and barely 18 years old, Arnold has tremendous potential to be very successful in intercollegiate tennis this year. Veterans Lynn Hennessey and Jackie Ruppert have considerable experience playing for the Lady Rebels and are demonstrating renewed interest and dedication this year. Dawn Parkhurst, Heather Hartman, Laura Nelson, and Kim Schmitz round out the team of scholarship players who have the talent and the experience to make a winning contribution.

"We have an excellent group of dedicated, accomplished, nice girls who are very serious about working hard to get back into the upper echelon of the SEC and achieve a bid for the NCAA Championships in the spring," said first year coach Montgomery who has coached several All-Americans during his years of being a tennis professional in Shreveport, LA before coming to Ole Miss.

1987 Rebel Golf Teams

The Ole Miss men's and women's golf teams are on the move. The first year women's team competed in eight major college tournaments this season and looks forward to a competitive team in the coming spring.

The men's golf season was highlighted by Chip Sullivan becoming the 3rd Ole Miss golfer in the last five years to win the SEC Championship. Also, Senior Darren Cole finished All-SEC for the third year in a row. The Ole Miss team finished third in the 1986 SEC Championship, and Chip Sullivan was invited to compete as an individual in the NCAA Championship.

For the past five years the Ole Miss golf team has had the highest average finish in the SEC Championship. With this record to follow and a promising team the 23rd ranked golf team looks forward to the next year.

A YEAR OF TRANSITION

It was a roller coaster year for the Ole Miss Lady Rebel volleyball team, but the ride ended on the upside.

As first-year Head Coach John Blair stated earlier in the season, "Even with the coaching change and the youth of the team, the possibilities are exciting. The measure of this team will be at the end of the season rather than at the beginning."

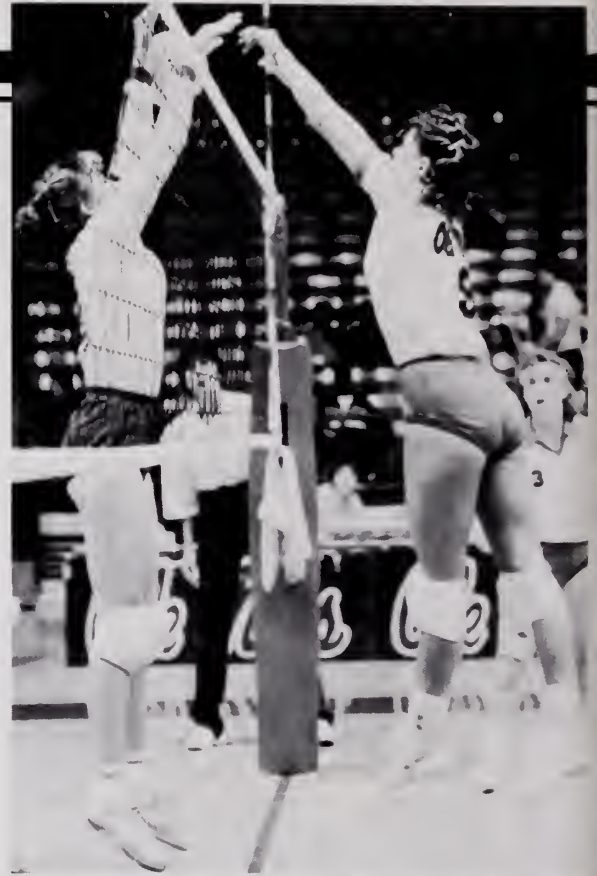

And he was right, as they ended the season on a winning note.

The team led by seniors Jenny Hicks, a 5-9 setter, Traci Mattox, a 6-0 middle blocker, and captain Julie Link, a 5-10 middle block, helped to lead the team

to it's second straight Ole Miss Invitational title as well as the Mississippi State Invitational.

The Lady Rebels also captured second place at the Memphis State Lady Tiger Classic and at the DePaul Invitational.

During the season many Ole Miss women were recognized for their outstanding performances on the court. Link earned MVP honors at both the Ole Miss Invitational and the Mississippi State Invitational. Chris Houck, a 5-7 junior hitter, earned the Depaul Invitational MVP award as well as a spot on the Ole Miss Invitational All-Tournament team.

Daily Mississippian

While 1986-87 will be remembered as a good year for The Daily Mississippian, the staff members will also recall it as being one of the most frustrating years they spent working on the student newspaper.

It seemed that every really big story that happened — the murder of a coed, Rebels on probation, a mini-crime spree on campus — happened the day after the newspaper stopped publishing for the semester.

Such was life.

But the staff members did have opportunities to cover breaking news — such as the shooting of an Oxford woman by her husband; and still, more in-depth stories — such as on the homosexual community within the Oxford-University community.

The paper also had its causes. Not only at the beginning of the Spring semester, but year round, the paper pushed for adequate funding for higher education in Mississippi. Not only on the editorial page, but through in-depth articles on other universities and how they could not sustain more budget cuts.

And editorials were written every day on mostly campus issues, but also on state and national issues. Not a day went by when The Daily Mississippian didn't give its opinion on something. And whether people agreed or disagreed, they read it.

Perhaps the biggest accomplishment of the year was being accepted by the board of the Mississippi Press Association to become a full member — to stand with and compete against the other daily newspapers across the state. No other college newspaper can say that.

The content of the newspaper was geared entirely toward the University of Mississippi. All news pages, sometimes with the exception of one, were filled with campus news. News for the students and faculty of Ole Miss. The paper began featuring stories on fashion, health and where to go and what to do on the weekend. In addition to Dear Abby, it added Dr. Ruth, and a column by Jean Jones on career advice.

But by far, the most popular item was the return of the comic strip Doonesbury.

Black Student Union

The Black Student Union is an organization that works to insure that black students have every opportunity to become involved in campus activities. The B.S.U. is also a community service organization that promotes better relations between the campus and the community. Its membership as defined, includes all black students at the University. The B.S.U. does not promote segregation but works to make the needs of all students better understood.

Preamble

In the struggle for freedom, justice, and equality in America, Afro-Americans have seen the need for unity and have united. The lack of this unity (the combining to form oneness) is but one of the hardships Africans had to endure while in slavery. And this lack of unity-togetherness — gave birth to and fostered many of the problems and needs that generations of Afro-Americans have and still are facing. In order to combat the problem of identification, support, and understanding, Afro-Americans have bound themselves in small groups and have formed various organizations which are responsive to the needs of Afro-Americans both in societies, and institutions of higher learning.

The black students at the University of Mississippi have organized an organization to address their problems and needs — the BLACK STUDENT UNION. Because an organization such as this is more responsive and sympathetic to all aspects of their student life and activities, this organization was formed by Black students for Black students. Although this organization was formed to bring unity among Black students, IT DOES NOT ADVOCATE SEGREGATION. The Black Student Union has a vested interest in all right and activities (academic, political, social, etc.) of Black students at the University of Mississippi.

The Naval Reserve Officers Training Corps (NROTC) was established at Ole Miss in June, 1946. It is located in McCain Hall, which is named for the late Admiral John S. McCain, an Ole Miss Alumnus.

The purpose of the NROTC is the training of Ole Miss students for future Naval Careers. NROTC students are classified as either Scholarship or College Program midshipmen. Scholarship midshipmen are under a Navy subsidized scholarship during their four years in college. These students are selected by nationwide competitive examinations. Upon receiving their degrees, physically qualified students receive commissions as Ensigns in the Navy or Second Lieutenants in the Marine Corps. All Scholarship students commissioned must serve four years on active duty. After this period, those selected, are placed in the same status with all other Naval Officers. If at the end of this period they desire to leave the active service, they are commissioned in the Naval Reserve.

College Program students join the Navy unit at the school to which they have already been admitted and are subject to the same physical and mental qualifications as the Scholarship students. During their third and fourth years of college these students are paid a subsistence allowance and, upon graduation, are given commissions in the Navy or Marine Corps Reserve.

Ambassadors

The Ole Miss Ambassadors and Regional Representatives play an important part in the high school and junior college relations activities of the Admissions Office. A student organization within the executive branch of the ASB government, the Ambassadors provide tours and otherwise help host campus visitors, attend receptions for prospective students, visit high schools, and participate in other programs to communicate information about Ole Miss to interested students and their families. Members are initially designated Regional Representatives and are selected for membership based on communications skills, grades, and extracurricular activities. Representatives become Ambassadors only after having participated in a significant number of the organization's activities. Membership is open to all undergraduates with at least a 2.5 grade point average. Application is usually required in early September.

Chancellor's Leadership

Richard Whitley

The Chancellor's Leadership Class is a two-semester one hour non-credit class made up of approximately seventy new freshman who are nominated by their principals and then selected for participation by a University committee. Previous leadership experience, academic achievement, and class demographics are all factors in the selection process. The class serves participating students by exposing them to the ideas and personal reflections of top government, business, and educational leaders, and by giving them — a diverse group of proven high school leaders who have not previously been acquainted — the opportunity to get to know each other.

CLC Members: Sherry Anderson, John Aaes, Theodore Atkinson, John Balderson, Mary Bartlett, Chris Bell, Timothy Blocker, Christopher Burkhalter, Kathryn Burnett, Rebecca Busch, Elizabeth Carlsie, Laura Chan, Anne Cassar, Mark Cook, John Daughdrill, Mark Davidson, John Davis, Michael Edwards, Mary Faresse, Anne Farris, Tomia Gammage, Daniel Gilchrist, Margaret Goudelock, Wendy Gresham, Katharine Habie, Leigh Herring, Katrina Howard, Cathy Johnson, Scott Johnson, Albert Jones, Richard King, April Lancaster, Victoria Lawson, Chadwick Lawellon, Fatt McClain, Charles McCulloch, Shawn McIntosh, Mary McLain, Fredear McNemar, Grover Monroe, Jay Morgan, Adrian Oakes, Kim Olmsted, William Patton, Iodie Peterson, Robert Pickle, Timothy Porter, Paul Purnell, Michael Quinn, William Rhea, Marcia Robbins, Tammy Seid, Kelly Shoemaker, Samuel Siman, Stephanie Smith, Tomia Smith, Kimberly Spencer, Kamila Stokes, Susan Streene, Susan Sullivan, Douglas Thompson, Kevin Thompson, Matthew Thornton, Conco Tice, Allison Trahan, Robert Tarnage, Timothy VanNew, Mark Watson, Len White, Susan York, Kimberly Young.

Air Force ROTC

The Ole Miss AFROTC Detachment #430 has had a great year in 1986. In fulfilling its mission of recruiting and training officers for the United States Air Force, our detachment has gained much recognition. The hard work of our staff and cadets earned our detachment a rating of excellent on an inspection by the Inspector General. We were also honored by visits from General Richard E. Hearne, National Commandant of AFROTC, and Colonel Charlie B. Moore, Area Commandant of AFROTC.

Several members of our staff have received awards for outstanding performance of duty. These people set very good examples for our future officers by demonstrating needed characteristics such as leadership, discipline, and motivation. It takes a great detachment, and our staff is the best.

Air Force ROTC

In addition to regular classroom instruction, AFROTC cadets learn by practicing their leadership skills at Leadership Lab. Junior and Senior cadets have a chance to demonstrate concepts they have learned while they introduce the freshmen and sophomore cadets to these concepts. Besides the learning experiences on the Ole Miss campus, cadets are provided the chance to visit Air Force bases. This year's visits to Little Rock AFB, Arkansas and Englin AFB, Florida gave cadets added insight into life in the Air Force.

AFROTC is not all work and no play. Some fun events for our cadets are TRI-ROTC Field Day, the Halloween Party, the Christmas Banquet/Party, and the annual Dining Out, a formal Air Force banquet. These activities bring our cadets closer together and let them know that there is more to life than just work. Having well-rounded cadets is one of the goals of our detachment. AFROTC at Ole Miss not only prepares cadets for life in the Air Force but "LIFE."

The Malaysian Student Association was established to help Malaysians adjust to life in Ole Miss. It also aims to foster better relations with other international as well as American students on campus. MSA provides valuable information about life in America in general and Ole Miss in particular to prospective Malaysian students. On arrival, students will be shown the ropes by members of MSA for at least the first couple of months. For a bit of home away from home, MSA organizes cookouts and parties to celebrate certain national, religious and cultural festivals. Annually, MSA hosts the 'Malaysian Nite'. This provides an opportunity for Ole Miss to enjoy Malaysian food, entertainment, handicrafts and so on. MSA functions are not only for Malaysians, but for Ole Miss as a whole.

American Advertising Club

One of the primary objectives of the American Advertising Federation is to encourage young people to enter advertising as a career and to enhance the quality of advertising education, thus strengthening the skills of future advertising practitioners. AAF College Chapters serve as the Division of the Federation to accomplish this goal. Each college community has its own individual opportunities depending upon its location and facilities. This student-run organization plans campus activities and often moneymaking projects in the practice of communications. Senior Class Committee

Hamp Overton

The Class of 1987 added a special quality to the University by installing a chime system designed to play hourly strikes and traditional carillon concerts. The beautiful sound of the ringing bells can be heard throughout the Ole Miss campus.

To provide for the \$8,000 dollar system, the Senior Class held many fund raising events. These included: Union barbecues, a bike race and Fun Run, T-shirt sales, and promotions of the University Bowl. Through these efforts the Senior Class was also able to continue support for the "Preserve the Grove" project established by the class of 1986

The Senior Class would like to thank the alumni, students, faculty, and friends of Ole Miss for their generous contributions and enthusiasm. As a result of everyone's participation, the security and charm of the campus was further enhanced.

Rebel Recruiters

The Rebel Recruiters organization was begun during the Coach Steve Sloan era. Coach Tommy Limbaugh was in charge of the program. The purpose of the Rebel Recruiter organization is to help the coaching staff with the recruitment of prospective student/athletes and to offer support to the football team.

The Rebel Recruiters serve as hostesses during recruiting events. During campus football games, they greet the prospective student/athlete, take them on a walking tour of campus, and sit with them at the ballgame. During official visit weekends, they greet the prospects upon their arrival at the motel, eat breakfast, lunch or dinner with them, and answer any questions he may have about Ole Miss and the football program. During the recruiting season, each girl is assigned to a coach. During the week, she phones or writes those prospects assigned to her by her coach.

Rebel Recruiters are also on hand to see the team off for away games. They make signs of encouragement and support for the team. On Monday nights after a victory, these girls decorate the athletic cafeteria and serve the players their victory dinner.

Ole Miss Soccer Team

This year the Ole Miss Soccer Team had its most successful year ever. The team's record for 1986 was 15-3. We won the Gulf States Collegiate Soccer League (GSCSL). The teams in this league consist of Ole Miss, Mississippi State, University of Southern Mississippi, LSU, Tulane, Loyola, and the University of Alabama. We ended our season with a 5-1 conference losing only to LSU. With the conference title, we were able to host the league tournament. We won the tournament with a finals victory of Mississippi State 2-0. Another big achievement for this year's team came at the SEC tournament in Tuscaloosa. Out of a total of sixteen teams, we finished in 2nd place. We lost to Birmingham Southern, a varsity team, in the finals 1-0. We beat a couple of other varsity teams along the way to posting a 5-1 tournament record. We had ten goals for and one goal against in the tournament. Before this year the team had never finished higher than 5th

place in the SEC Tournament. We also won this year's Eagle Cup Trophy Match against Southern Mississippi, 2-0. This year's team included five graduating players, Thomas Gallaney, Patrick Lyle, Ken Roberts, Carter Bolt, Charles Rucketts. ANDERSON HALL ENGINEERING

The purpose of the American Institute of Chemical Engineers at Ole Miss is to promote professional development of its members, as well as to encourage fellowship among students and faculty. The AIChE also serves as a representative of chemical engineering at Ole Miss. Members promote and encourage the profession on and off campus.

Activities of the student chapter are varied from social to educational extremes. Every year a back-to-school banquet is hosted by the AIChE members for the instructors and staff in the department. Field trips, speakers, and services are offered to the members to help prepare them for life as a chemical engineer. The AIChE also provides outlets for students and faculty to unwind from the hard, demanding course work. The chapter holds informal parties and encourages activity in the intramural sports program.

Members in the AIChE chapter at Ole Miss encourage the chemical engineering student to expand his horizons and become involved in his surroundings. Participation on the campus level means the development of a better and well-rounded engineer entering the professional world.

HKSU

Founded in the late sixties, the HKSU has been aiming at promoting friendship among members and providing assistance to newcomers. Every student or faculty member originating from Hong Kong spontaneously becomes a member. With cultural and social impacts from the East and the West for one hundred and fifty years, Hong Kong has developed its unique lifestyle. Our members have exemplified this lifestyle through formal and informal interactions with other social groups. It is our wish that the University programs can be enhanced by these inter-cultural interactions.

Crosby Hall is the newest dorm on the Ole Miss campus. It has the capability to hold over 700 people. Despite its large size, a friendly atmosphere is maintained by the social functions held. For Christmas, Santa visits the staffs' children and hands out presents. There are bar-b-que's, painting parties, sweat-shirt decorating parties, and Low-cal dinner nights. BMW Club

The BMW Club Of Ole Miss was founded in 1983 when the poor man's luxury car, the 318i, was first introduced. It was then that a rash of beamers hit the Ole Miss campus, replacing the Cutlass and Regal as the Most Desirable Automobile for an Ole Miss Student. Requirements for membership are only that you own a BMW: year and make are inconsequential. The club has no meetings and no social activities. Instead, they acknowledge one another by waving through their standard sunroofs. U. of Michigan, Prof. Maxwell Reade, Honorary Member

Members of this prestigious club are as follows: Professor William M. During the past year, the Beta Beta chapter of Beta Theta Pi has continued to succeed as well as grow in many areas. Socially, the Betas and their little sisters have been very active. With their winter formal being held in the mountains of Gatlinburg, Tennessee, welcome relief from classes was provided on the ski slopes. Their 4th annual Ole Man River party was the highlight of the spring. The conversion of the backyard deck into a riverboat with a sandbagged pool around it and an afternoon crawfish boil were two contributions to the success of the party. The Betas continued their community involvement with their Christmas party for the North Mississippi Retardation Center. The chapter's relationship with the University administration was improved by inviting their teachers and top administrators to their annual Wild Game Supper at the Beta house.

Chi Omega

University of Mississippi

Tau chapter of Chi Omega began an exciting year with an exceptional group of pledges running down the hill. They were quick to learn the mystical background of Chi Omega and the symbolism of the carnation and owl and the colors of cardinal and straw. As each week passed, the pledges became better acquainted with Chi Omega traditions and standards so they could put their knowledge to use within and outside the chapter.

Each week the pledges had an owl pal, a special Chi O sister, one of which would be a big sister. Swaps, fund raisers and elections are favorites of Chi O's and each member actively participates in various campus organizations.

Chi O's are sisters who love and support each other. The bond of Chi Omega sisterhood runs deep and is an everlasting treasure to those who know what a joy it is to belong to such a special group of girls.

Alpha Psi of Delta Gamma is a special chapter, because it was founded at Ole Miss in 1873. Our colors are bronze, pink and blue, and our flower is the cream colored rose. Our symbol is the golden anchor and a Raggedy Ann, named Hannah, which represents the ideal Delta Gamma. DeeGee's are always ready to have fun. We have swaps with many different fraternities and enjoy two formals a year. Along with fun activities, scholarship is a big part of Delta Gamma. DeeGee's strive for scholastic excellence and are found in every campus organization. From Rebel Recruiters to fraternity little sisters, beauties to homecoming maids, campus leaders to Carrier scholars, Delta Gamma has it all.

Delta Psi is a unique fraternity established on the Ole Miss campus in 1855, having originated from the old Ivy League fraternities. Other chapters are located along the Eastern seaboard from Columbia and Yale to U.V.A. and Chapel Hill.

St. A's are small both nationally and locally by choice. Delta Psi's are the only fraternity on campus which maintains the high degree of secrecy once found in all fraternities. Through our size and internal structure we are able to have a close feeling of brotherhood and loyalty among our brothers.

As in all good social organizations, there is a place for fun. Here again, St. A's are not beat. St. Anthony hall has seen some of the best parties on campus including the annual Saints and Angels Ball and the Christmas Party.

Kappa Alpha Order was founded at Washington College on December 21, 1865. Later, in January of 1900, Alpha Upsilon Chapter was established at the University of Mississippi. During 1986-1987 the K A's of Ole Miss demonstrated their progressive attitude toward life while possessing a feeling of pride and accomplishment.

The men of K A are involved in every aspect of life at Ole Miss, claiming memberships in such honoraries and organizations as Lambda Sigma, Phi Eta Sigma, Alpha Epsilon Delta, Beta Alpha Psi, Omicron Delta Kappa and Order of Omega. K A athletics, both varsity and intramural, as well as its much talked about social program, show still another facet of the versatility and excellence of portrayed by this fine chapter. Academically, socially, politically and athletically it is easy to see that the K A's at Ole Miss aim for the ultimate and achieve it.

With the symbolic colors of black and gold, and pansy as the flower, Theta's hold a special togetherness.

Whether she's Miss University, editor of the "Ole Miss" annual, ASB Vice President, a homecoming maid, a fraternity sweetheart, or a campus favorite, a Kappa is always present in Ole Miss activities! For three of the past four years we have brought home the Sigma Chi Derby Day trophy! We're also involved in many service and philanthropy projects. Each year we join with the Sigma Nu fraternity and raise thousands of dollars for the Muscular Dystrophy Association. Last year we threw a "Philanthropy Bash" for the Humane Society with Phi Kappa Psi fraternity.

Kappa's take great pride in their traditions and high values, and we continue to strive for excellence under our symbols of the fleur-de-lis, the golden key and the wise old owl. A Kappa is proud to wear our colors of dark blue and light blue because with them comes love, friendship, and a special sisterhood that only a Kappa Kappa Gamma can know.

Kappa Sigmas are involved in virtually every aspect of the Ole Miss campus. Kappa Sigmas have a strong standing on the ASB Senate. We are also represented on the ASB Cabinet, Student Programming Board, Vice-President of ODK, President of the IFC, and Lambda Sigma. Other activities include Delta Sigma Pi, Greek Century and Chancellor's Standing Committee. We also have Taylor Medalists and Carrier Scholars.

Our annual South Sea Island Party in April has been chosen by Playboy three consecutive years among the Top Ten Parties in the Nation. We also sponsor the Special Olympics and a fund raiser for St. Jude Hospital.

KAPPA SIGMA

On December 26, 1848, at Miami University, Oxford, Ohio, six college men founded a brotherhood called Phi Delta Theta based on friendship, sound learning, and moral rectitude. Since those days, Phi Delta Theta has grown into an organization claiming approximately 200 chapters.

Although the men of Mississippi Alpha are proud of the heritage of their national fraternity, we are even more proud of our own accomplishments. Established on June 9, 1877, $\Phi \Delta \Theta$ has been an integral part of many aspects of campus life. In 1986, we were awarded the Harvard Trophy, the award given by our national office recognizing the best $\Phi \Delta \Theta$ chapter in the nation.

We are not content to settle for second-best, but we constantly strive to strengthen and better our standard of excellence. Through our efforts and diligence, we will continue to make Mississippi Alpha one of the best.

During the past year, the Phi Psi's participated in a variety of academic, athletic, and social events, including several successful swaps, cook outs and football weekend parties. February was a busy month with the celebration of Founders Day, as well as traveling to New Orleans for the annual Winter Formal. With spring came the annual theme party, NO REGARD, and the first annual Phi Psi Softball Tournament.

The Phi Psi's have built a strong chapter dedicated to their motto: "United by friendship, sustained by honor and led by truth, we live and flourish."

Phi Psi has a number one pledge class.

The Alpha Delta chapter here at Ole Miss is proud to have members involved in various campus activities, such as student government, intramural sports, fraternity little sisters, as well as areas of academic excellence. Phi Mu's are always on the move. During the fall semester we are busy with sorority rush, Big Sis-Lil Sis week, Homecoming and campus elections. Spring is also an exciting time around the Phi Mu house with events like initiation, Derby Day, Bermuda Boat Bash, and our annual 10-mile walkathon. The past four years Pikes have raised money for the Mississippi Memorial Burn Center by sponsoring the Pike-Bike-Hike, a bicycle ride from Oxford to Jackson on the weekend of the Stste game. Our efforts have netted over \$10,000 for the center. Each February Pikes and their dates relax during Charles Sumner Weekend, a three day bash hailed as one of the 25 Best College Parties in the nation by Campus Voice magazine. Early in March the past two years, Pikes have been proclaimed champions of the University Bowl, a full-contact football game to raise money for the Campaign for Ole Miss. In addition to these special events, there are many other activities on the Pi Kappa Alpha calendar, such as swaps and our annual Christmas Party.

Sigma Chi Fraternity was founded at the University of Miami in 1855. The Eta Chapter was established at Ole Miss in 1857, and was the first chapter of Sigma Chi in the South. The Sigma Chi's have always believed that friendship among men of different temperaments, talents, and convictions is the strongest type of brotherhood. The diversity of its members separates $\Sigma\chi$ from other fraternities.

$\Sigma\chi$ is proud to have as members student body officers, IFC officers, religious organization leaders, intramural All-stars, varsity athletes, cheerleaders, and government organization members.

Despite all of the activities $\Sigma\chi$'s are involved in, they still have an active social life. Every year they hold Groundhog as well as Derby Day which raises money for the National Kidney Association.

The 1985-86 school year was a great year for Sigma Pi. It was the first year in our new house, the former Delta Kappa Epsilon house. After a sweltering rush week, we boasted of 20 new pledges. Throughout the year, our chapter participated in the usual swaps, cook-outs, parties, intramurals, and formals as most Greeks do. Overall the 1985-1986 school year was a turning point for Sigma Pi and has set the stage for 1986-1987. In the future, we plan to remodel our house by adding a front porch with columns and by improving our kitchen facilities.

Holds her hostage in mountain retreat

University of Mississippi Associated Student Body President Nancy Horton was kidnapped by a Bigfoot monster while attending a library computer seminar in the Pacific Northwest.

Horton was attending the seminar with ASB Senator Clifton Van Cleave to determine whether or not computers are a capital improvement. Also accompanying Horton on the trip was ASB Attorney General Jay Westfaul.

Horton was abducted while attending a conference entitled "How to Spend the Egg Money on Beer." Horton was about to exit the meeting and head to the beer store when the eight-foot Bigfoot monster attacked her, causing near panic in the crowded convention hall.

Police and the National Guard were called out in the effort to track Bigfoot monster to his mountain lair but were unsuccessful.

Several weeks later officers said they believed the whole affair was an elaborate hoax perpetrated by someone dressed as Bigfoot.

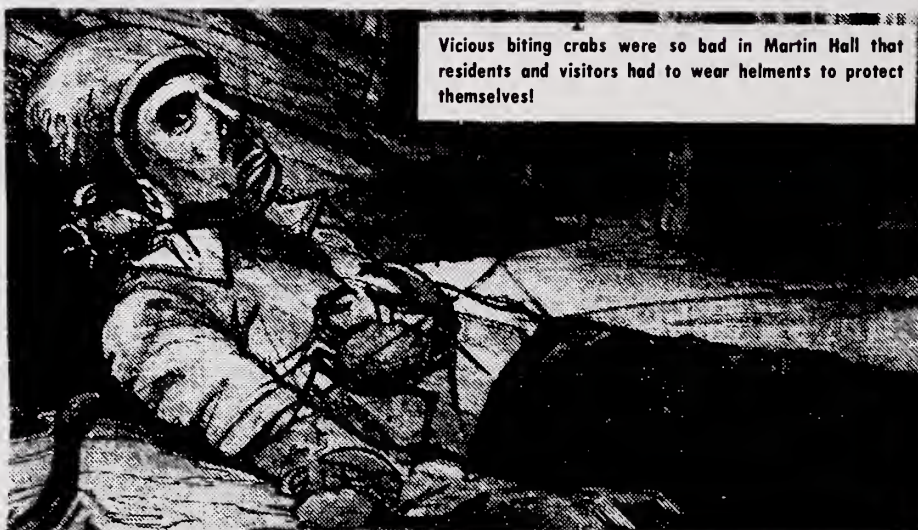

This allegation came after a party of mountain climbers found a Bigfoot costume located in a cave 20 miles from the convention site. Authorities found no trace of Horton, but did find a billfold belonging to Margaret Moore, also a student body official at the University of Mississippi inside the costume.

Authorities are still searching for either Horton or Moore, and a substantial reward is offered for information leading to their whereabouts.

Girls scream in terror when faced with the...

Attack of killer crabs!

Vicious biting crabs were so bad in Martin Hall that residents and visitors had to wear helmets to protect themselves!

What started out as a sophomoric prank sent dozens of Ole Miss coeds to the infirmary and almost resulted in two deaths. Wayne Wexler, a junior marketing major from Scuba, thought he was being real funny when he released a bag full of vicious biting crabs in Martin Hall.

The joker's idea of fun turned into a nightmare for hundreds of girls who were chased from room to room by the giant crustations. Loud screams could be heard as the crabs grabbed the girls with their giant pinchers.

The University of Mississippi police department was unable to handle the crisis. At Chancellor Gerald Turner's request Gov. Bill Allain sent in the National Guard, but they were unable to bring the situation under control. Residents, who were forced to continue living in the dangerous dorms by university regulations found some unusual ways to combat the danger. Residents and male visitors wore helmets to keep the crabs from crushing their skulls.

A solution was discovered by accident

when a scared coed sprayed an attacking crab with Lysol. The crab keeled over on the spot, and the dorm was soon cleared of the pesky shelled creatures.

As for the not-so-bright prankster, he has been put in a cage in the Martin Hall lobby along with, you guessed it, a bunch of crabs.

How to be a parasite on society

If it seems like everybody is getting money from the campus senate but you, maybe you should take some tips from Campus senators.

Former senator Pam Kloha says the important thing is to set yourself off from the rest of the campus. "Dye yourself and some friends green and you should have no trouble getting all the money you want for dinners, concerts and

the like."

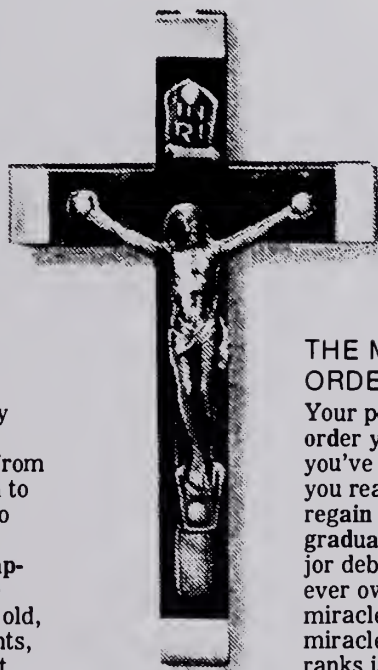

Another senator, Ronn Pierce, agreed. "Cut off your legs, poke out an eye, or do whatever is necessary to put yourself in a minority," he said

Both senators agreed these drastic measures were necessary. "We don't give money to ordinary people on this campus," said Pierce.

Dr. William T. Taylor of Booneville, Mississippi, in June, 1904, founded the Marcus Elvis Taylor Memorial at the University of Mississippi, "out of affection and regard for the memory of his son, the late Dr. Marcus Elvis Taylor, an honored alumnus of the University of the class of 1871, and out of benevolent regard and good will for the youth of the state and the interest and work of the University of Mississippi, and for the encouragement of meritorious scholarship and deportment." This memorial fund provides scholarship medals to students nominated for outstanding scholarship in a particular field combined with superior work in all other subjects. The number awarded annually may not be more than one percent of the student body.

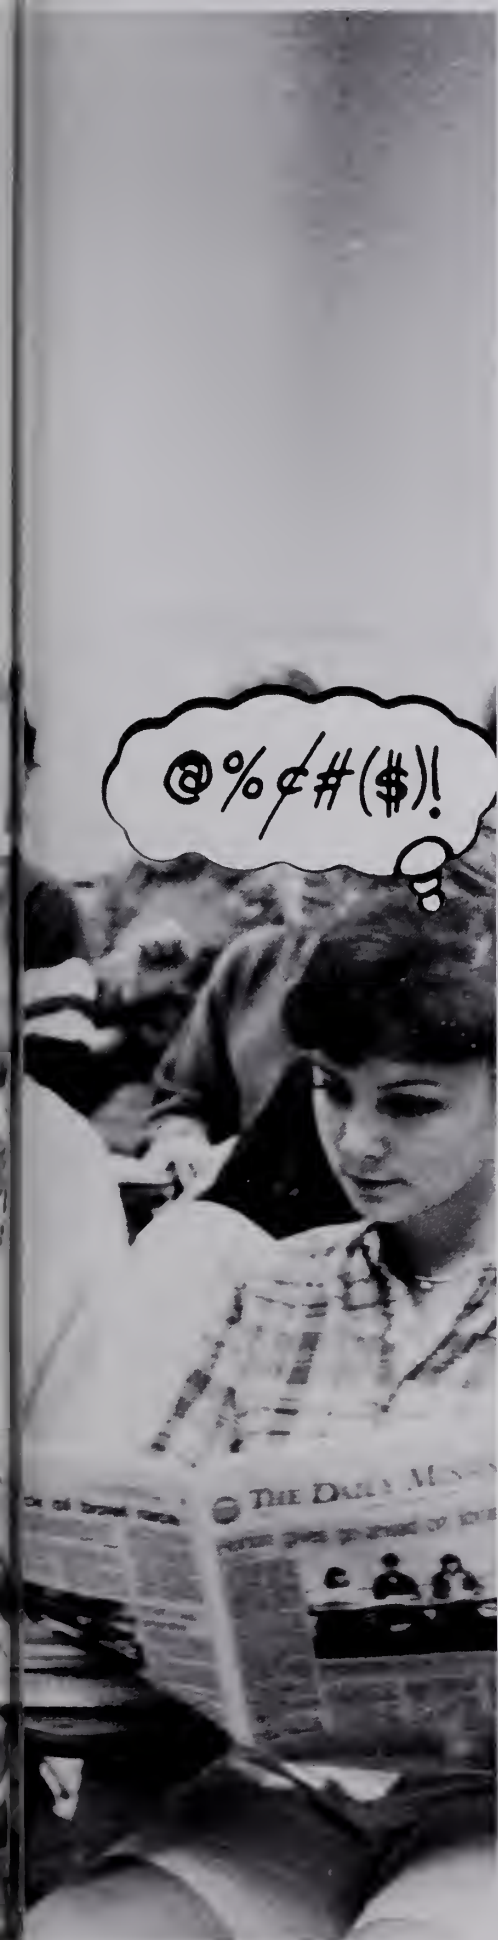

Each medal has engraved on it the name of the nominating department. A faculty committee recommends those students to be so recognized for "meritorious scholarship and department" from those nominated by the participating division of the University.
